Dear Mr. Jones,

Please accept this letter as notice that Transcontinental Gas Pipe Line Company, LLC (Transco) hereby withdraws the above-referenced permit applications for its proposed Northeast Supply Enhancement Project (Project), which included requests for Section 401 Water Quality Certification (WQC). The reason for this withdrawal is to provide the Department with additional time to comply with the timeframes by which it must act on Transco's requests for a WQC pursuant to Section 401(a)(1) of the Clean Water Act (CWA), 33 U.S.C. §1341(a)(1).

Transco will be submitting new permit applications for the Project in the coming days which will include all information previously provided to NJDEP as part of Transco's original permit applications and supplements thereto. The new applications will also include additional information to assist NJDEP in its review.

Thank you for your continued assistance with this matter. Transco looks forward to continuing to cooperate with NJDEP with respect to the new permit applications associated with the Project.

Should you have any questions, please do not hesitate to contact me at (713) 215-3427 or by electronic mail at Joseph.Dean@Williams.com.

Respectfully submitted,

TRANSCONTINENTAL GAS PIPE LINE COMPANY, LLC
